Tobin

A modern take on a classic object, Tobin's inspiration comes from the timeless mid-century form. The tubular arms of the three-light bath extend outward and are made to form a gentle curve that showcase etched white glass shades and finished in Black. The Tobin collection is ideal for those who appreciate Modern design styles.

- Etched white glass shades punctuate curved tubular fittings that take the edge off these modern bath and vanity fixtures
- The three-light bath can be mounted up or down to customize the look and add to a bathroom's spa-like atmosphere
- The sculptural metal and cylindrical glass shades make Tobin ideal for Modern settings
